## Charity Partners

Oxfam is an international confederation of 20 organizations working together, in over 90 countries and with partners and allies around the world, to find lasting solutions to poverty and injustice.

"CARE International is one of the world's three biggest aid agencies. In the last year, we worked in 87 countries, supporting 905 poverty fighting projects that reached more than 82 million people. Our mission is to create lasting change in poor communities and we put money where it is needed most."
